Festacolor draws crowd despite rain

The Rotary Club of Haliburton working on a big budget went all out on Saturday to give the people who attended Festacolor a great day of fun and entertainment. It paid off as every attraction that was held turned out to be a great success. When it comes to holding big events you have to hand it to the local Rotary Club who always go all out to bring you some exciting days throughout the year. This was one of them.

The weather for the big day was anything but good with rain in the morning, but clearing for the remainder of the day and evening. The weather didn't keep very many people home as thousands turned up at Haliburton to join in the days festivities. And what a day it was. The only feature that had to be postponed was the official opening of the Rotary Tennis Court at Rotary Beach. This had to be called off due to the heavy rain that fell in the morning. This event will be re-scheduled at a later date.

At 1:00 p.m. the outside beer garden swung into operation at the municipal park and hundreds were on hand to listen to the live entertainment that was supplied.

At 2:00 p.m. hundreds made their way to the Official Dedication of the CF-100 Aircraft which was held at the site on the school property near the first crossing. Following the dedication ceremony the four Pipe and drum bands from Uxbridge, Sudbury, Lindsay and Haliburton paraded from the site up through the main street to the municipal park where they put on an outstanding concert before a very large audience. The four bands who joined together for the parade put on a colorful spectacle marching on the parade route.

At 3:15 the Color special train wth 650 aboard pulled into Haliburton right on schedule and the people aboard were met by a large crowd of local citizens. It was quite a spectacle to see so many visitors hit the main street all at one time. Busses were on hand at the station to transport all those getting off the train who wanted to take the tour of the historic locomotive and Skyline Park.

At 4:30 p.m. the Ministry of Natural Resources Tug-O-War team proved to be too strong for their opposition teams, namely The Minden detachment of the Ontario Provincial Police and the teachers and students from the H.H.S.S. and the H.H.S.E.S., as they walked off with the Festacolor Tug-O-War Championship.

At 7 p.m. under the lights at the Haliburton Ball park a crowd estimated at nearly 1500 crowded onto the ball field to enjoy the ever popular Horse drawing contest. They weren't disappointed as the various teams of horses from all over Ontario thrilled them with a display of power.

The following are the winners of the horse drawing contest.

Light weight teams under 3500 lbs.: 1st prize, Murray Cowen; 2nd prize, Alex Little; 3rd prize, Elwood Graham; 4th prize, Grant Quinn; 5th prize, Jim Cheymouth.

Heavy weight draw-teams 3500 lbs: 1st prize, Malcolm McGillvray; 2nd, Ingram Wessell; 3rd, Murray Cowen; 4th, Joe Cox; 5th, LeRoy Nesbitt; 6th, Jack Batty.

At 9 p.m. over 1100 people jammed their way into the arena to see the Catherine McKinnon Comes to the Country show. In our opinion it was one of the best all round variety shows ever to appear on stage in Haliburton. Billy Meek of the Pig N' Whistle Show was a big hit with the audience as he told jokes, clowned around, and MC'D the show. The Jean Anderson Dancers were also a big hit along with Stan Hamilton and the flying Scotsman Orchestra and a real added attraction Edward Gyurki, North American Fiddle Champion. The star of the show Catherine McKinnon was also a big hit with the audience. The only draw back to the entire show was the fact that the PA system just couldn't do the job and many people could not hear the program.

Our thanks to the Rotary Club of Haliburton for putting on such a great day and especially to co-chairmen David Bishop and Rick Poole who did an outstanding job on lining up the members to put on a great day.

Pictured above are some of the 650 people getting off the colour special train at Haliburton last Saturday afternoon on their visit to Festacolor. Every ticket was sold on the excursion and they really enjoyed their stay here in Haliburton. Photo by Don Lloyd.

Haliburton man shot in Oshawa

A Haliburton area man is in hospital with a gunshot wound, an Oshawa mother of three is dead and a 56-year-old construction worker has been charged with murder following a shooting incident at Oshawa.

William Joseph Elliott of Whitby was arrested after Constance Storm died in Scarborough General Hospital eight hours after being shot in the head on Sunday morning, Sept. 22.

In good condition in Scarborough General Hospital is Laverne Woolley, 27, of RR 2, Haliburton, who was shot in the head in the same incident. Police said he may lose the sight of one eye.

Police said Woolley staggered on to the street at Cedar and Wentworth Streets and hailed a passing car to get help. Police are holding a .22 calibre revolver found in a field in Whitby.

OPP detachments report

Fatality toll high during summer

Despite a drastic summer holiday period which increased the traffic fatality toll reported at several area detachments of the Ontario Provincial Police, the Minden, Boboconk and Lindsay detachment areas now appear to be settling down to a more desirable level.

The slow down in fatalities and drownings began after the Labor Day Weekend, which, for most of us, marks the end of the summer season, and the only six persons, three each in traffic accidents and drownings have lost their lives in the area since that time.

Three persons were killed in the Minden area as the result of a head-on collision between a pick-up truck and a Van type bus on Highway 503 near West Guilford on September 12, bringing the Minden detachment's fatality toll to 16 compared with only four such deaths for the whole of 1973.

Drownings at Minden also took an unfortunate increase this year, presently totalling eight for the year to date with only three during all of 1973.

Two women injured in accident

Provincial Police at the Minden and Coboconk detachments each report one traffic mishap in the past 24 hours, one on the South Lake Road east of Highway 35 at Minden which sent two Montreal residents to Ross Memorial Hospital in Lindsay, and the other on Colborne Street in Fenelon Falls.

Minden OPP report that a vehicle driven by Loise Cote, age 27, of Montreal was travelling east on the South Lake Road when, in failing to negotiate a curve, it left the road, slid down an embankment, and rolled onto its side.

Both the driver and a passenger, Colette Boucher, age 18, also of Montreal were brought to RMH by Minden Ambulance suffering from fractures and concussions. Investigation of the mishap, which occurred about 2 a.m. this morning was carried out by Provincial Constable Jim Martin who estimates damage to the vehicle at $800.

Citizens' band holds practice

The newly formed Haliburton Citizens Band will hold its first practice and meeting at the Haliburton Highlands Senior Elementary School on Tuesday evening, October 8 at 7:00 p.m.

The call is out to all former band members and all those interested who play an instrument to come out and join this up and coming musical organization.

The band will be under the direction of Don Wright, an accomplished musician, who is looking forward to meeting all those who will be turning out for the first practice.

May we remind you that no matter what part of the county you may hail from that you are more than welcome to come out and join the band.

But your honor!!

"We were only fishing for beer"

It was beer, not fish was the plea of four men convicted in Provincial Judge's court on Tuesday, September 24.

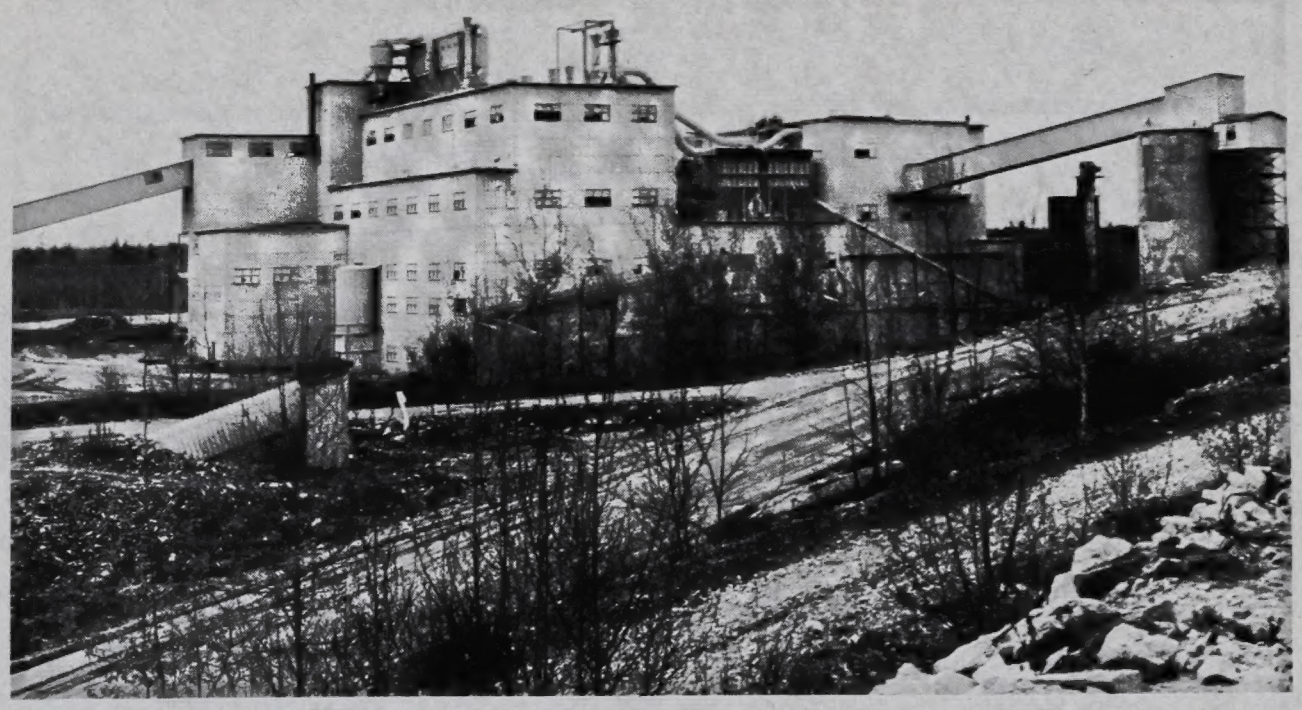
The four men, Manson Weaver, aged 39; Wesley Traviss, aged 27; Maurice Bradamore, age 44, and Wm. Cowen, age 47 claimed they had placed a twenty-four of beer in the Talbot River on Saturday Afternoon only to return Sunday morning at 6:00 a.m. to find it gone, and a net set in its place.

On April 13 during the spring pickerel run Conservation Officers T.C. Corbett and J.L. Fitchett found a gill net set across the canal at the mouth of the Talbot River. The net was lifted and found to contain approximately 50 spawning pickerel.

The officers released those they felt might survive and kept 26 which were dead and they reset the net in such a way that it was ineffective for catching fish. The oficers kept the net under observation until 6:00 a.m. when the four men approached the canal and started to lift the net.

Judge Collins said that he found it very hard to believe and very unlikely that they would have to place beer in the river to keep it cool on this particular cold, April night.

Each man was fined $200. for attempting to take fish during a closed season and Weaver was fined an additional $300. for illegal possession of a gill net.



View of Indusmin Ltd. Mine at Nephton, Ontario, thirty miles Northeast of Peterborough, Ontario, where Nepheline Syenite for glass, ceramics, porcelaine and paint is mined. Russia and Norway have the only other sites north of the equator. Photo by Ministry of Natural Resources.

Enrolment increases by 15 percent

A 15 per cent increase in full-time post-secondary enrolment has been recorded by Sir Sandford Fleming College, according to current statistics showing a total registration of 1,959 compared to 1,701 last September.

Included is a 20 per cent increase in first year enrolment, and a seven and 16 per cent jump in second and third year registration, respectively.

College student services chairman Douglas S. Kirk said that while the first year increase was important, the figures for second and third year were very gratifying.

"Each year our retention rate is higher, an indication that students feel their college careers are worthwhile," Mr. Kirk said.

This year, 89 per cent of students eligible to enter, second or third year returned to Sir Sandford, he noted.

Mr. Kirk gave the continuing high employment record among Sir Sandford students as one possible factor leading to the current enrolment increase, pointing out that about 95 per cent of last year's graduates are employed in fields related directly to their college training.

Mr. Kirk noted that some of this employment success is due to the province-wide Ontario government restrictions on the number of students allowed to enter the first year of certain College programs.

"While we agree with this policy, it should be realized that, ironically it has a negative effect on enrolment, since some of the most popular programs have these restrictions," he said.

One example, according to Mr. Kirk, is the nursing program, which has wide appeal but is restricted to the current enrolment of 90 in first year.

He said another factor leading to the enrolment increase could be a noticeable development of school spirit at the new Peterborough campus on Brealey Drive.

"The building has been completed for over a year, and the new classrooms and labs, coupled with the swimming pool and other recreation and athletic facilities, have led to a positive on-campus atmosphere among students that undoubtedly has been communicated to secondary school graduates."

Overall increase at Sir Sandford in 1973 was two per cent.

New public address system

The Wilberforce Arena has a new public address system which was just installed recently. From all reports it is one of the best in Ontario. It is in operation in the arena and the new sound system sends out the music and voice crystal clear.

We understand that the total cost of the new system will be in the neighbourhood of $1,300.00 which seems to be a reasonable price for a good sound system.

It is about time that a new system such as this was installed in the arena in Haliburton. The present one is useless.

Kinmount man top fiddle

Gord Precoor, of Kinmount scored high points at Shelbourne Old Time Fiddle Contest, and made this his third year in a row to win at the London Western Fair.

It was also his fifth year to entertain at the C.K.L.Y. Bandshell at Lindsay Central Exhibition.

Almost 20,000 attend plays

The Kawartha Summer Theatre ended its eight week season with an audience of 19,800 people at the Academy Theatre in Lindsay or 72.5 per cent of the 684 seat theatre's capacity.

Add to that the attendance at the Monday night previews at the Haliburton High School of 1,960 people or 87 per cent of the 320 seat school auditorium capacity, and the Summer Theatre played to 21,760 people or 74 per cent of possible capacity.

The season was notable for two things, it was extended from seven to eight weeks by the addition of a musical, "The Apple Tree", and, for the first time, reserved seats were introduced.

The musical, starring Jack Northmore and Patti Elsasser was very successful, but the reserved seat system had many kinks and problems which took several weeks to unravel. However, by the end of the season it was working well and the convenience of reserved seats out weighed the annoyances experienced by many of the patrons.

Most successful play for box office figures was "Arsenic and Old Lace" which drew over 90 per cent capacity. A tradition of the Summer Theatre, a musical melodrama using local actors was replaced by one using the professional company and this change seemed to be very acceptable to the audience.

The Academy Theatre was air conditioned during the third week of the season, another change welcomed by the customers.

An English play .. "No Sex Please We're British" and the Neil Simon comedy, "Prisoner of Second Avenue" followed Arsenic as crowd pleasers, with the Arthur Murphy play "The Sleeping Bag" drawing perhaps the most universal critical acclaim and, with "The Hand That Cradles the Rock" by Warren Graves of Edmonton following close behind the top three in attendance figures.

"The Secret of the Spyglass" by William Pendergrast of Thunder Bay, the old English farce "Thark" and the musical all drew over 60 per cent capacity making a very evenly balanced season.

Plumbers soliciting orders

We understand that some out of the County plumbers are in Haliburton this week soliciting orders from Haliburton homeowners re their connection onto the Provincial Sanitary Sewer system that has just been installed in the village of Haliburton.

There is no law that says that you cannot hire an out of the county plumber to do this hook up work but may we remind you that when you are ready to hook onto the system that you would be wise to hire established plumbers not some of these fly by nighters that will come in and do your work and if something is not satisfactory they are no where to be found.

We would like to encourage you to hire local plumbers who you will know will do you a good job and as they are living right here will be right on the job to back their work up.

Obituary

Reita Shepherd

Shepherd, Reita Latham, died August 26, 1974, at York Manor, Fredericton, New Brunswick, after a lengthy illness.

Reita Shepherd, wife of the Rev. Dr. H. Sherman Shepherd, was born in 1900, the only daughter of the late Mr. and Mrs. George Latham, of Ottawa, Ont. She leaves her husband Sherman, two sons John and Ted, a daughter Faith, and a brother William.

Reita Shepherd went to Shingle Point, N.W.T., in 1930, as a member of a staff of 3 persons who began the first school for Eskimo children in Canada. Together with her husband, she lived and served in Shingle Point, Aklavik, Port Harrison, Fort George, Moose Factory, N.W. T., Kinmount and Pickering, Ont. and laterly Moncton and Fredericton, N.B.

Minden beaver seen during overseas trip

Fish and Wildlife Supervisor P.W. Swanson, accompanied by wife, recently returned from a pleasant vacation in England and Scotland. One of the many highlights of the trip was a visit to the Royal Zoological Gardens in Edinburgh, Scotland. Here Mr. Swanson relates, one can observe a great variety of animals, birds and fish from most countries of the world.

Of great significance to the Swansons was the enclosure and pond housing Canadian "BEAVER." These beaver were live trapped in the Minden area by Conservation Officers A.R. Henderson of Kinmount and W.P. Barber of Minden during the summer of 1967.

Mr. Swanson recalls with great satisfaction a phone call in the early summer of 1967 from the late F.A. Walden asking if Lindsay district could obtain a pair of live beaver for the Royal Edinburgh Zoological Gardens. The reply was affirmative and immediately Conservation Officers A.R. Henderson, and W.P. Barber were assigned to live trap a pair of beaver. In a short time two pair were trapped by these two conservation officers and shipped by Air Canada to Edinburgh. From all outward appearances the beaver have successfully adapted to "THE HIGHLANDS OF SCOTLAND."

W.P. Barber is now Parks Supervisor at Lindsay and F.A. Walden was Provincial Supervisor of Wildlife in 1967.

Ball successful

Haliburton County Centennial Homecoming weekend is now history. In Wilberforce the Firemen's Centennial Ball at the Wilberforce Arena was a great success as hundreds turned out to listen to RCA Recording Artist Lynn Jones and North Country Group.

It was unfortunate that due to inclement weather the Centennial Color Fly-In that was scheduled for the Haliburton Highlands Stanhope Airport on Sunday last had to be cancelled.

haliburton Highlights

We are sorry to report that Cliff Kellett of Haliburton suffered a heart attack recently and is now a patient at Sunnybrook Hospital in Toronto. His many friends wish him a speedy recovery. If you would like to drop him a card or letter his address is Section B-3, Room 3304, Sunnybrook Hospital, Toronto, Ontario.

*****

Well October 1 is past and now everyone can turn on their furnaces.

*****

We were certainly pleased to have met many of our old friends who returned to Haliburton for Festacolor. They all came back and really enjoyed themselves.

*****

The leaves really started to take color over the past weekend and they should be really in their glory this coming weekend if all goes well. You should make it a point to come back and see them.

*****

The Haliburton Minor Hockey Association ran the snack bar in the arena on Saturday night and came out very well financially. Business was brisk throughout the evening and apparently there were a lot of hungry people.

*****

If you are a sports fan and enjoy football you can't go wrong by attending one of the home games of the Haliburton Highlands Secondary School football team. The local squad is dishing up some terrific football action and is undefeated so far this season.

*****

Mrs George Holland of Essonville phoned us the other day to let us know that a great Blue Heron has been making calls on her property at Essonville. They are a lovely bird and let us hope that no one shoots them.

*****

At the September meeting of the Haliburton Branch of the Royal Canadian Legion they made three draws to make up for the months of June July and August. Each winner won $75.00. The winners were Mr. Joe Bonyun, Mrs. Ruth Good and Mr. Bob Pincombe.

COUNTY . . . where life is living - for everyone

News Letter

The Rotary Club of Haliburton will be resuming their annual Auction Sale next summer. It has been a few years since the club has had a sale and the people seem to really have missed it. So when you are housecleaning don't throw those articles to the dump keep them and notify any member of the Rotary Club and they will see that they are picked up.

*****

Lindsay Central Exhibition manager, Ralph Hodgson, has reported a total paid attendance at the Lindsay Central Exhibition for 1974 of 43,964 people compared to 36,597 in 1973. This is quite an increase.

*****

Once again the Rotary Club of Haliburton would like to take this opportunity to thank Boice Motor Sales in Haliburton for the fine gesture of putting up the money that brought Edward Gyurki, the North American fiddle champion to Festacolor held at Haliburton last Saturday. It was much appreciated.

*****

Medical science has finally pinpointed many of the changes in body chemistry which take place in joints inflamed by rheumatoid arthritis, says a report from The Canadian Arthritis Society. The agency supports continuing research and medical education.

*****

In a recent editorial we put out the call for help in the line of coaches, managers, referees, etc to help with the young hockey players in the Haliburton Minor Hockey Association. Since that time we have had some people come forward willing to give a helping hand during the coming hockey season. Two or three have written us letters stating that they are more than willing to help out the boys. If you are willing to give a helping hand let us have your name.

*****

Well the month of September here in the Highlands has passed and we hate to admit it but we have seen better Septembers. The month of September usually weather wise is one of the finest of them all but not this year. We ran into rain, storms, cloudy weather, cold conditions and you name it. Oh well let us hope and wait and see what the month of October has in store for us.

*****

Time marches on and won't be too much longer before the Haliburton Junior Huskies will be opening training camp and we will be off on another local hockey season.

*****

The Canada vs Russia hockey series has moved back to Russia and we can now sit back and brace ourselves for another great finish.

*****

They say that you never miss the water until the well goes dry. This is sure the case here in Haliburton when Mike's Milk were closed for two weeks vacation recently. People really missed it, especially in the evenings.

*****

They claim that the cost of building at the present time is quite high but this doesn't seem to be stopping many people in the County from erecting new buildings. As you drive around the County there seems to be new buildings going up all over the place.

*****

The traffic throughout the county this homecoming weekend will be heavy so drive carefully and enjoy yourself to the fullest.

The beer garden at Festacolor held at Haliburton last Saturday proved to be very popular with local citizens as well as the many visitors as can be seen by the above picture. Photo by Don Lloyd.

Some of the large crowd that attended Festacolor at Haliburton last Saturday are shown at the outdoor beer garden that was set up in front of the curling club last Saturday afternoon. The customers were treated to live entertainment during the afternoon. Photo by Don Lloyd.

The Haliburton Legion Pipes and Drum band are shown going through a drill as part of the afternoon band concert at the municipal park last Saturday afternoon. Other pipe and drum bands that took part in the days festivities were from Lindsay, Uxbridge and Sudbury. Photo by Don Lloyd.

Property owners report

The following is the latest newsletter sent out to its members by the Haliburton Highlands Property Owners' Council.

Our Water Resources Committee met during August with the Trent Canal Authorities to find out why an excessive amount of water was suddenly taken out of many Haliburton lakes early in June. A computer obligingly took the blame. He is being re-programmed and from this point we can look for an orderly draw-down of water up to Thanksgiving - same for next year.

The Municipal Affairs Committee sent you a brief concerning our views on development in Haliburton. Comments were received from six lake associations - all favourable. The brief will now be forwarded to the Minister of Housing.

A change in the Muncipal Election Act requires a municipality to hold an advance poll on the **second** Saturday before election day which is the first Monday in December for all municipalities in Ontario. This means that the advance poll this year will be held on **Saturday, November 23,** likely in the Municipal office. Here is an opportunity for cottagers to talk to prospective candidates, find those that are sympathetic to cottagers' viewpoints and go vote for them. All of us should be active members of our summer communities. We are as much concerned with local problems as the permanent residents are. Here is a way to show our concern. Nominations will probably be completed by November 10th. To vote your name **must be on the voters' list** - as an owner or a tenant.

The area municipalities invariably do a good job of maintaining the garbage dumps. Some thoughtless persons, however, scatter garbage indiscriminately. The Ministry of the Environment is threatening to close garbage dumps where this happens. Let's co-operate. Smelly garbage in the back of your car on the trip home is not an attractive alternative.

ADVANCE NOTICE: - Our Annual Meeting will be held on Wednesday, November 6 in the Consumer's Gas Blue Flame Room on Toronto Street, in Toronto. Registration 7 p.m. Meeting 7:30 p.m. Please plan so that you and others of your association will be present. **KEEP INFORMED.**

ORIGIN OF NAMES

Anson - was named in honour of Admiral Anson, who distinguished himself at the battles of Talnvera, Salamanac and Viatoria, and also served with the Scots Fusilier Guards at Waterloo.

Bruton - is named for a Town in Somersetshire on the River Bru, near which Alfred the Great defeated the Danes in his first great battle.

Cardiff - is named from the town of Cardiff in Glamorganshire, Wales, situate on the British Channel.

Clyde - is named in honor of Sir Colin Campbell, the gallant British Commander in the Crimea and in the Indian Mutiny, who for his services was raised to the peerage under the title of Baron Clyde.

Dudley - was named for the Royal Garrison Town of that name in Worcestershire celebrated for its Tunnel, Canal and Lime quarries.

Dysart - the name of the Township in which the Village of Haliburton is situated, takes its name from the seaport town of Dysart on the Frith of Forth, Fifeshire, Scotland.

COUNTY . . . where life is living - for everyone

Editorials

Advertise locally

CKLY radio in Lindsay has been and still is soliciting advertising in Haliburton County to be aired over their station in Lindsay.

This is a free country and no one can stop them from picking the advertising up here but in our opinion what good is it doing to have an advertisement on this particular station when only a few people in the county can bring in this station on their radio. To us it seems like a waste of money. The percentage of people listening to CKLY in this district would be mighty small.

The majority of people in Haliburton County listen to CBL radio here as it comes in very clear since there is a satellite station with towers owned by the CBC in Haliburton.

Every business firm here in the County in most cases sets up an advertising budget and if they are smart they will be spending their advertising dollars where they are going to get the best results.

Visit Haliburton

The Haliburton County Homecoming Weekend is now in the past. Hundreds of people took the opportunity to come back to the Highlands to enjoy the festivities and the scenery and how glad we were to see them.

Fall is a nice part of the year with its clean crisp air and the scenery is usually marvellous at this time of year.

The leaves at the present time are out in their coloured splendor and the entire countryside is a blaze of glory and colour. If you are planning a trip or a weekend why not make it a point to come and visit us here in the gorgeous Highlands of Haliburton. Bring along your camera and catch the beautiful scenery on film. There are many other places you can visit but in our opinion there is no finer spot to come and enjoy yourselves than right here in the good old Highlands of Haliburton.

So when planning your fall trip this autumn think of us and come on up and pay us a visit. You'll be glad you did.

Taxation inequitable

"Taxation of land on the basis of the owner's occupation is inequitable and contrary to all principles of taxation," David Bruce, president of the Ontario Professional Foresters Association, has charged.

He was commenting on a brief entitled, "The Assessment of Private Forest Lands in Ontario" which the association presented August 13 to the Ministry of Natural Resources. Included are three recommendations as follows:

That a forested land classification for taxation assessment be established.

That assessment of forested lands be based upon soil capability and geography.

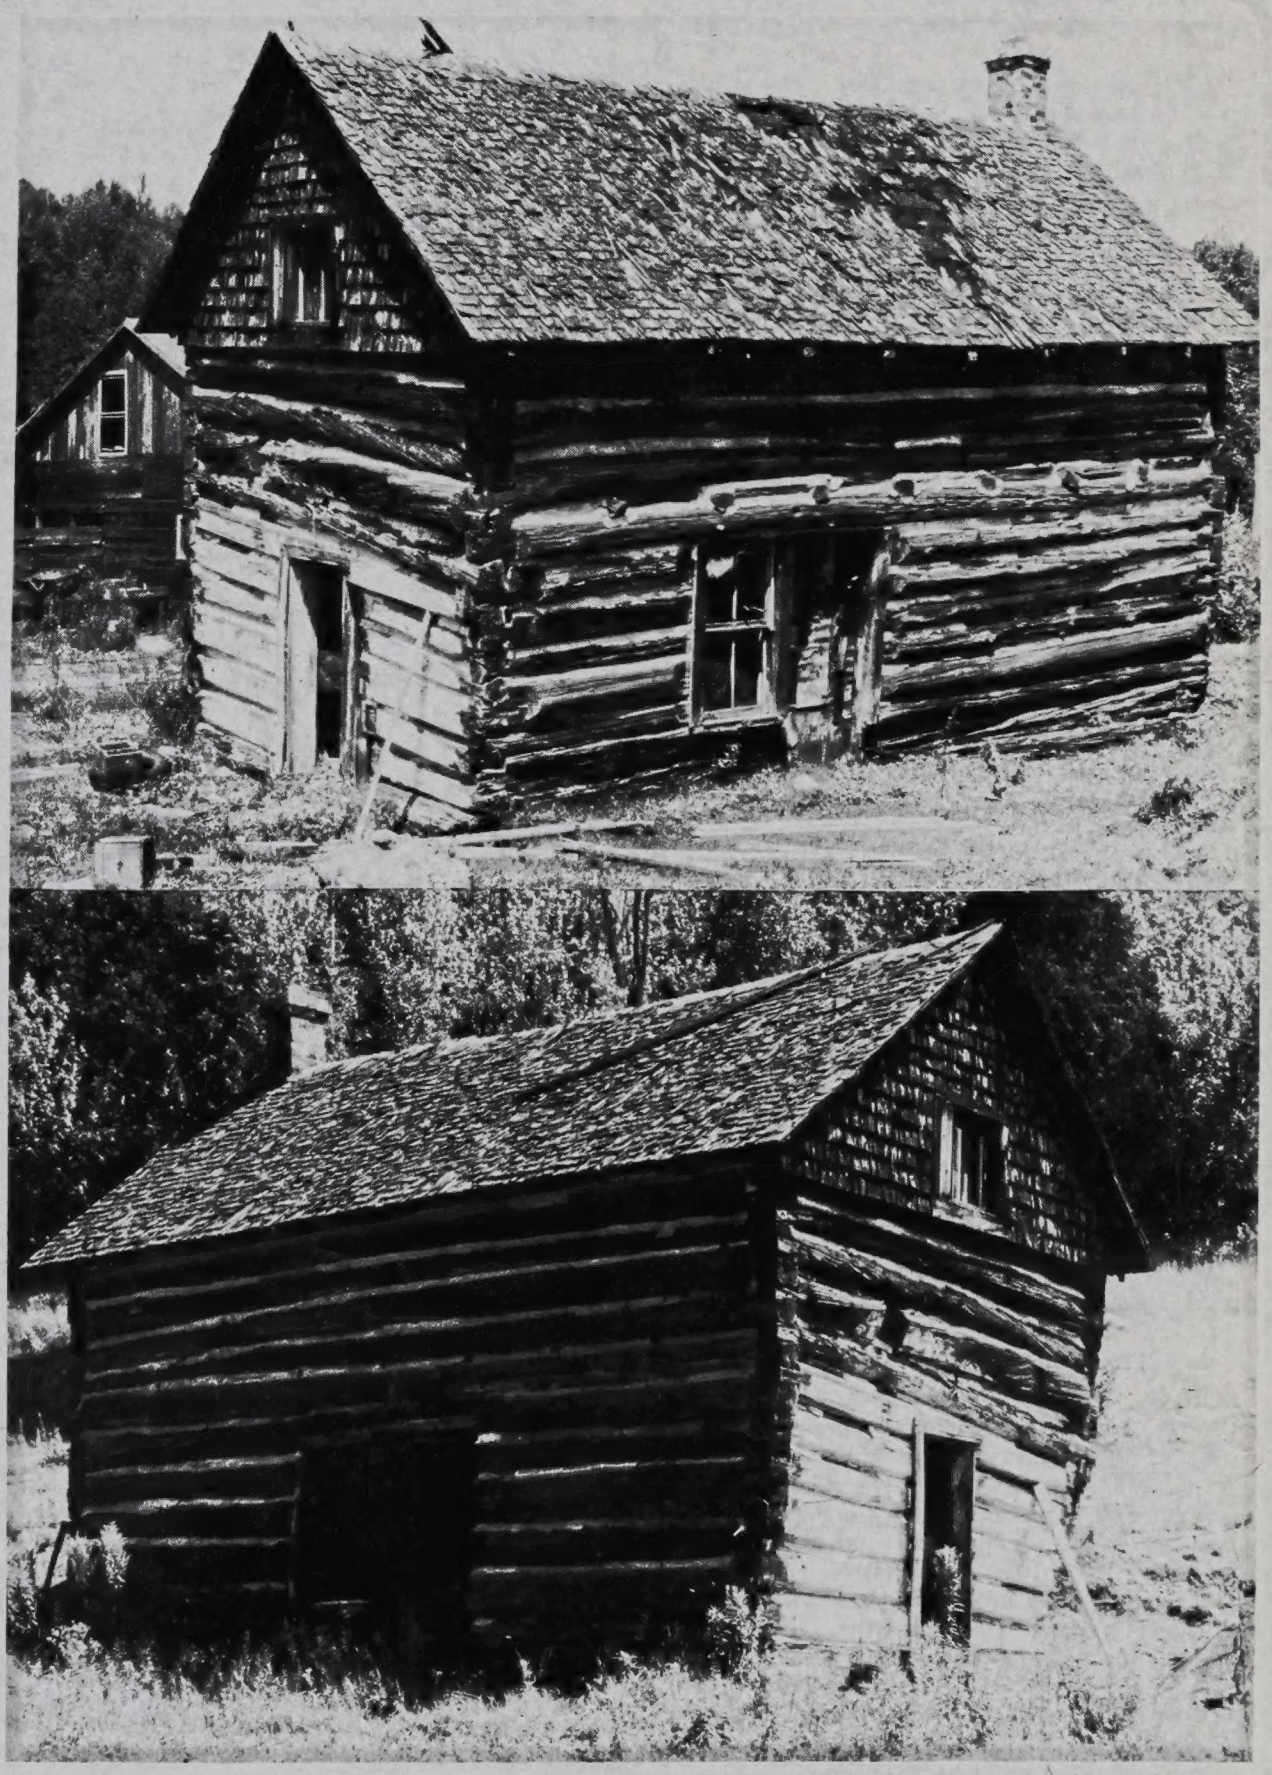
That assessment of forested land be assessed at one-half the rate for similar lands in agriculture.

The brief points out that woodlots owned by farmers enjoy farm rates of assessment, while similar woods of other landowners may be assessed up to 20 times the rate for farm woodlots.

The professional foresters of Ontario have encouraged the proper management of farm woodlots and will continue to do so. However, the double standard of taxation based on ownership is inequitable," Mr. Bruce remarked.

In view of the assessment and taxation presently being applied, the association fears many owners will slash their woodlots and dispose of the land.

"The loss of the future supplies of hardwood and conservation and aesthetic values is a high price for society to pay," Mr. Bruce said.



A pioneer Homestead—Haliburton Photos by Bruce Mills

Letters to the editor

To the editor:

Monmouth Township has done it again. Everything bigger and better in 74.

Tory Hill recently made the news with Harry Finlay's superb crop of potatoes, one weighing 2½ lbs. Now we hear from Wilberforce that Reg Schofield has grown a five-headed cabbage.

Come on Essonville, what have you to offer?

Mrs Winnie Schofield

To the editor:

Reference is made to your issue of September 26 and an article on page two entitled "Lieut. Russell to attend dedication".

In case it has not been brought to your attention, through other means, I thought I should point out that the title and the caption under the photo are in error. The standard officer rank structure is: officer cadet, second lieutenant, first lieutenant, captain, major, lieutenant-colonel, colonel, brigadier general, etc. There is therefore considerable difference between a "lieutenant" and "lieutenant-colonel". If one wishes to abbreviate the title, especially in personal address, a lieutenant-colonel is addressed as "colonel". I believe the usual written abbreviation is "Lt-Col.".

The purpose in writing is solely to point out the error in order to avoid any future embarrassment to your paper.

Mrs. Elsa Russell

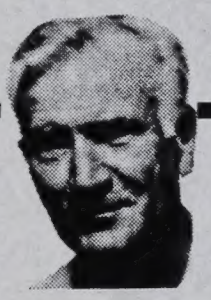
Many of our readers in the Minden area will likely recall this photo taken many years ago of the old Presbyterian Church in Minden. The church was located on the site where the Masonic Hall now stands. Our thanks for this picture goes to Mr. Richard Kirkwood of Minden.



BILL SMILEY

FOOTNOTES FOR A SUMMER BUMMER

I don't know about you but we've had a real whizzer of a summer. Just a mad, gay, The Great Gatsby sort of thing.

You know what I mean. You've been through it. Loitering by the pool with an extra-dry martini and the golden girls undulating past with so little on that your eyeballs pop out and splinter your sun glasses.

Enchanting evenings on the beach, waves lapping, the fire glowing embers, and just the twenty-four of you. Night, and mystery, and romance. (By the way, did you ever try to glow an ember?) It's quite a feat.

And speaking of feat, the only lapping I've heard this summer is our abysmally stupid cat lapping the sweat off my feet. He seems to like it – probably has a salt deficiency problem – and I must admit it gives me a strange, perverse thrill.

Perhaps by now you realize that in my own far from subtle way, I am suggesting that we've had a bummer of a summer.

And you are absolutely, without qualification, one hundred and twenty-four per cent right.

Oh, don't think it's been a complete waste of time. We've aged two years in two months, which is quite a feat. There's that word again. Feet?

We haven't just been lying around, watching the grass grow. This would, in any case, be difficult, since it does not grow after about the 20th of June. But the dandelions are pretty, though short-lived, and the wild clover has a certain charm.

No. we've been quite active socially. It all started after Commencement, last June. One of the teachers had a party.

Teachers, after Commencement, are somewhat similar to Magellan's sailors, who, after battling six months to round Cape Horn, find themselves a Pacific Ocean and a tropical island.

It was a good party, as parties go, and they go too long. However, as we say in the game when we don't quite know what else to say, we accepted a ride home with our resident artist, who came in for some hot chocolate and burned a hole in one of the end-tables as big as your eye, when no one was looking, in the process of putting out a cigarette.

I think that started the summer on the wrong foot. I seem to have a fetish about foots and feet today but don't let it bother you.

Well, to get back to our swinging summer social life, it's been something. We've been to a funeral and a wedding. I've never had so much kissing in my life.

While the funeral was sad, in a sense, it was also a family reunion, in another. Nephews and nieces I haven't seen in years. And four of the five Smileys all together at once, for the first time in a couple of decades. The wee Colonel was in Germany. And the wake had a good touch of Irish in it, if you follow me.

And the wedding was a pretty good shot, too, even though we discovered the happy couple had been married several hours before, due to some stupid, ridiculous statute. I got to kiss not only the bride, but her four older sisters, all of them former students of mine. And their mother.

Also, as it was a Ba-hai wedding, quite a few of the guests, ranging from suckling babes to grandmothers, were former students.

I like to see them and talk to them. John H. is an artist who gave me, I think, a lucid explanation of how he is trying to combine the purely visual, the abstract, and his own consciousness. John M., on the other hand, was about to head for the west coast, but someone was trying to talk him into going to Germany instead.

Margaret sang some songs that make the ripples go up and down your spine. She has granny glasses and a great grin.

Len is a grave-digger. Gets twenty-five bucks a day whether he has to dig a grave or not. He offered me a special deal, on some waste-land behind the cemetery. In September he's off to England to study how to teach in a special school whose theme is Awakeness. We should call our schools Assleepness.

Ah! Great to be young.

Nonetheless, somebody must carry the blasted torch. I've been swimming twice. I have driven past the golf club once. I've been fishing once and caught three crappies. My wife just broke three ribs. We've been waiting for the roofer for three weeks.

And tomorrow, we have our third big social occasion of the summer. My daughter and her husband are arriving with twenty retarded adults whom they've been retraining, for a picnic in the back yard.

The Argyle Syndicate Ltd.

Gooderham News

Next Saturday, October 5, we again will have a pleasant reminder of the longevity of many of the citizens of this county. The family of Fred Leveck have arranged for a celebration of his 92nd birthday at the Mountain View Lodge. His friends will be able to bring him good wishes there from 1 to 5 p.m.

Haliburton Personals

Mr and Mrs Ross Smyth, Heather and Ian of Burlington were weekend guests at the home of Mr and Mrs Russell Dart.

Mr and Mrs Erven Hoxie of Toronto were visitors here over the weekend.

Mr and Mrs Cliff McKinnon of Oakwood were visitors here over the Festacolor Weekend.

Mr and Mrs Wallace Little of Huntsville were visitors here over the weekend.

Mr and Mrs Len Watt of Toronto were here over the weekend visiting with friends and relatives.

Mr and Mrs Peter Curry returned home last week following a vacation in Northern Ontario.

Mr Paul Dawson was a weekend visitor at the home of his parents Mr and Mrs Cliff Dawson over the weekend.

Mr and Mrs Ken Pritchard of Ottawa were weekend visitors to the village.

Mr and Mrs Tom Hodgson of Oshawa were visitors here over the weekend.

Mr and Mrs Keith Carberry were visitors in Haliburton for the Festacolor weekend.

Army and Jean Goff have returned from an interesting trip through Scotland and England. We will hear more about it in a later edition of the Echo.

We are glad to hear that Robert Fotheringham is now back on the job after a few days for a check-up at the hospital.

Mrs Josh Pickens is expected back this week from an extended trip through British Columbia and Oregon.

We will miss the cheerful countenance of Grace Billings for we understand she will be going south for a holiday.

Registry Office gets new roof

Lloyd Walker, deputy reeve of the Township of Lutterworth reported to county council in Minden last Wednesday that a new roof has been placed on the Registry Office in Minden. The roof is guaranteed for two years.

He went on to say that a new furnace is being installed at the County Building and that the board room project in the downstairs area has been completed. This room will be used for committee meetings.

Mr. Walker is the chairman of the project committee.

United Church Women hold rally

Region 6 of the U.C.W. of the Lindsay Presbyterial held its fall Rally in the Haliburton United Church on September 18. The theme was "Our Christian Faith."

The meeting came to order at 10 a.m. with Mrs. Brohm, the chairman presiding.

Hymn 56 was sung followed by prayer. The Rev. Donald Nicholson of the Haliburton charge gave a few words of welcome, after which the Lochlin U.C.W. led in devotions. The offering was taken and dedicated by Maple Lake U.C.W.

The roll call was answered by a report of the year's work from each U.C.W. and all groups showed a great deal of interest and enthusiasm in their work.

The Rev. Nicholson was guest speaker for the day and gave an informal and interesting talk on his trip to Brazil this summer. He also showed several slides showing the habits and ways of the life of that country.

The afternoon session began with a "Hymn Sing". Lindsay presbyterial officers present brought greetings and gave some information concerning their segment of the work of the U.C.W.

A memorial service was led by members of the Wilberforce U.C.W. A beautiful trio was rendered by members from Carnarvon U.C.W.

Meeting closed at 3 p.m. with Hymn 559.

Hostess for 1975 Rally of Region 6 is to be Ingoldsby U.C.W.

Restaurant open in evening

In our editorial in last weeks issue under the heading A Restaurant Should Stay Open In the Evening we stated in the first paragraph that no restaurants were open during the evening in the village.

Since last week we learned that the Ol' Barn in Haliburton is open every day with the exception of Sundays from 7:30 a.m. to 9:00 p.m. In conversation with the owner, Gerald Barry, he told us that any evening up to 9:00 p.m. they are open and food is being served. In other words you can eat without having an alcoholic beverage.

So there you have it after all there is a place where you can go and get something to eat in the evening.

Manpower Statistics

The Peterborough Canada Manpower Centre recorded 452 regular placements during the month of August 1974 - down 81 from the August 1973 figure. In addition, 172 casual placements (temporary jobs) were made. The Centre received 1,625 registrations during Aguust and at the end of the month had a pool of 3,431 workers registered as being unemployed and seeking either part-time or full time work. This figure included 604 students seeking part-time work.

Twenty-five clients commenced training in the Canada Manpower Training Program at Sir Sandford Fleming College during the month. In addition, two employers signed agreements with the CMC to train workers on their own premises whre shortages of skilled workers existed. Four workers are being trained with the Federal Government re-imbursing the employers for a portion of the trainees' wages.

Canada Manpower requires further trainees for courses available at Sir Sandford Fleming College especially in the Academic Upgrading Program and the 40 week Industrial Maintenance Mechanics course. Qualified clients entering these programs are paid an allowance based on their family responsibilities.

Increased Family Benefits

Effective October 1, 1974, allowances for recipients of Family Benefits and General Welfare Assistance will be increased.

Rene Brunelle, Ontario Minister of Community and Social Services, announced today the revised allowance schedules and increased earnings exemptions will represent an increase of approximately 15 per cent to provincial expenditures under Family Benefits and General Welfare Assistance.

Affected will be 58,500 provincial Family Benefits recipients and 45,000 recipients of provincial and municipal General Welfare Assistance, and their families. These include mothers with dependent children, dependents of GAINS (Guaranteed Annual Income Supplement) recipients, aged persons not eligible for GAINS, needy foster children and persons unable to work.

Revised payment schedules reflecting these changes in regulations will be effective October 1, 1974.

The Family Benefits and General Welfare Assistance rates were last increased in January and April, respectively. Increased benefits for the blind and disabled were made through the GAINS program, which became effective last July 1.

Mr Brunelle said the new increases were being made in a continuing effort to assist those on fixed incomes as living costs rise.

The maximum level of payment for individuals and families will also be raised in recognition of these adjustments.

Mr. Brunelle stated that the basic earnings exemptions for Family Benefits recipients will be increased to $100 per month for families and $50 per month for single persons. The further exemptions of 25 per cent of additional income continues. Municipalities will be permitted and encouraged to provide similar exemptions for the General Welfare Assistance allowances.

Carnarvon News

Mr and Mrs. Vanderwal of Toronto, also Mr and Mrs Vanderwall from Holland were guests last weekend with Wendy Gorrie and Mrs. Stutt.

Mr and Mrs Bert Harrison were in Peterborough and visited with their son Verna, as he and his wife were celebrating their 25th wedding anniversary.

Mrs Peggy Robertson who has been a pen pal with Mrs. Jack Gregory for a number of years visited with the Gregory's for some time. Mrs. Robertson is from Scotland.

Mrs Verge and her three sons from Ottawa visited with their grandmother Mrs. A. Hussey last weekend.

Mr and Mrs Cecil Irwin have just returned from a trip to the East Coast, also Mr and Mrs Stan have returned from their trip to the West Coast.

Up to now the leaves are not out in their full color, but another week should see them in all their glory.

CARE announces $25,000 Honduras relief fund

The Chairman of CARE Canada, Vladimir Kavan, to-day announced the allocation of $25,000 to the relief of Honduras' hurricane victims. Responding to an urgent request telephoned from Tegucigalpa by the CARE/Honduras Director, CARE's international headquarters is rushing more than $250,000 worth of emergency supplies to the stricken area.

CARE, which has ongoing child-feeding, self-help development and medical aid programs in Honduras, was able to swing into immediate relief action there. CARE staff has worked around the clock since the hurricane hit and arranged the first food distribution by any foreign agency, starting with the distribution on September 19 of thousands of pounds of food and utensils to 1,200 refugees gathered in the stadium of San Pedro Sula. Since then, CARE staff has made available from its regular child-feeding and emergency stocks, hundreds of sancks of milk-powder-and-wheat-soya blend, cases of oil, some 8,500 pounds of flour to be baked into bread and distributed, as well as 500 cases of nutritious biscuits.

CARE-MEDICO nurses and Honduran nurse-trainees from the Hospital del Sur in Choluteca have left for a newly-established refugee centre in San Lorenzo to provide emergency medical aid, including anti-typhoid injections.

In devastated San Pedro Sula, CARE's Honduran Director said, "The people of this once-bustling city of 130,000 spent the first night after the hurricane in the cold, dark silence, the only sounds being the constant rain and the sobbing of the children." "The streets are full of blown-down trees and people are wandering about dazed and shivering. Here and there a small child clutches a rescued toy, his only possession. Honduras is a very poor country and must depend on outside aid to help feed and provide emergency assistance to the tens of thousands of hurricane survivors and for the massive reconstruction that will be necessary."

CARE Canada's National Director, Thomas Kines, noting that CARE's resources are already being strained by the demands of the African drought emergency, called on Canadians for a special effort to help CARE provide crucial emergency aid for Honduran victims.

Contributions, which are tax deductible, may be sent to: CARE Honduran Hurricane Relief, 63 Sparks, Ottawa K1P 5A6.

Library active

Roy Brohm, reeve of the Municipality of Dysart et al told county council last week that the Haliburton County Public Library Board is very busy and active and pointed out that a new addition is being placed on the present library in Haliburton. He went on to say that meetings are being held at various libraries throughout the County in an effort to have better relations between the various libraries.

The Library Board according to Mr. Brohm is having a very successful year.

THE CORPORATION OF THE TOWNSHIPS OF SHERBORNE, McCLINTOCK AND LIVINGSTONE

PUBLIC NOTICE

TAKE NOTICE that the Council of the Corporation of the Townships of Sherborne, McClintock and Livingstone proposes to enact a by-law to stop up, close and sell that part of Bondfield Street being part of Lot 29 in Concession "A" of the Township of Sherborne in the Provisional County of Haliburton and Province of Ontario, which said parcel or tract of land is more particularly described as follows:

COMMENCING at the northwest angle of Lot 29 in Concession "A" of the said Township of Sherborne;

THENCE south 73 degrees 19 minutes 10 seconds east, 638.65 feet to an iron bar;

THENCE north 69 degrees 11 minutes 30 seconds east, 56.40 feet to an iron bar;

THENCE south 20 degrees 48 minutes 30 seconds east, 171.25 feet to an iron bar at the place of beginning of the lands intended to be herein described;

THENCE north 68 degrees 04 minutes 10 seconds east, 7.22 feet;

THENCE south 62 degrees 47 minutes west, 192.67 feet to an iron bar planted in the eastern limit of Highway #35 crossing said lot;

THENCE along a curve to the left of radius 1220.92 feet, 90.69 feet to an iron bar, the last-mentioned course having a chord measurement of 90.67 feet measured on a bearing of north 16 degrees 04 minutes 10 seconds east;

THENCE north 62 degrees 47 minutes east, 130.64 feet;

THENCE south 20 degrees 48 minutes 30 seconds east, 65.74 feet more or less to the place of beginning.

The proposed by-law will come before the said Council for consideration at its regular meeting at the Township Offices at Dorset, Ontario, on the 30th day of October, 1974, at the hour of 7:00 o'clock in the evening, and at that time the Council will hear in person or by his counsel, solicitor, or agent, any person who claims that his lands will be prejudicially affected and who applies to be heard.

DATED at Dorset this 26th day of September A.D., 1974.

Mrs. Diane Griffin, Clerk,
Townships of Sherborne,
McClintock and Livingstone,
Dorset, Ontario.

News from Minden

A large crowd enjoyed euchre and cribbage at the W.I. Card Party last Monday night at the Orange Hall. Winners were for cribbage Joyce Hewitt and Fred Wright and for euchre, Robert Wright, Cassie Legge and Walter Hooper lone hands. After the games all enjoyed a social half hour and the delicious lunch served by the ladies.

Mr and Mrs Harold Deacon attended the fortieth wedding anniversary of Mr and Mrs Everett Truax at Palestine Community Centre Saturday night.

Cecil Saarfield of Hamilton was a guest with the Bill Moores on Sunday.

Mr and Mrs Bud Stamp are holidaying in Northern Ontario with relatives and Mrs Ray Rivers in staying in town this week.

A large crowd of ladies showered Miss Gloria Congdon with gifts at the United Church Hall last Wednesday evening prior to her wedding.

Belated good wishes to these Senior Citizens at Hyland Crest who celebrated birthdays in September: Elma Welch, Sarah Swinson, and Frank Billings.

Mrs Beulah Hewitt returned home with the Don Kelletts to enjoy a month's holiday at Winnipeg.

Congratulatins to Irma McKelvey who was the lucky winner of the second Snowball of $155 in the 21 numbers called at Thursday Rotary Bingo.

Lydia and Angus Coulter have a new great granddaughter Kimberley Anne, first child for Dianne and Glen Coulter of Ottawa.

Rev. Edward Aldworth of Windsor spent one afternoon last week visiting with his cousin Fay Hobden and other relatives in the vicinity.

Mr and Mrs Roger Hogg of Bracebridge were weekend guests with Mr and Mrs Joseph Dollo and Joe.

Gerald Coulter was a weekend guest with his parents Mr and Mrs Angus Coulter.

Gaye Coneybeare of Toronto spent the weekend with her parents Mr and Mrs Bill Coneybeare.

Mr and Mrs Douglas MacEachern and Marie of Woodville spent Sunday with Mr and Mrs Harold Deacon and Lois.

Saturday was a busy one at the Municipal Hall when people in the area brought good used clothing and household articles for Honduras Relief. The Canadian World Youth Group were there taking the goods to pack and transport them to Trenton. From there, these goods were to go by air to Honduras. This group were very thankful for all the articles contributed and are sure the people of Hondura will put everything to good use.

Several families are moving to new homes, Angela McCloskey to the Vinton Louck's house, Bill O'Briens to Frank Buttimors and the Joe Dollos are in the process of moving to the Findlay house.

All his friends send good wishes to Miles Roberts who is a patient at Scarborough General Hospital.

Saturday October 12 the Altar Society of the Catholic Church plan to have a rummage sale on the Bank Lawn at 10 a.m. weather permitting.

Mr and Mrs Elden Deacon, Mrs Daisy Sutherland and Mr Wm Deacon visited Mr and Mrs Bill Deyette at Gravenhurst on Sunday.

Joan and Ed Pritchard, owners of the local Taxi became grandparents recently of a little girl, Jessica Marie, daughter of Sharon and Edward Thompson. Next weekend will be a grand one when pictures will be taken of five generations when great grandparents, and a great great grandmother will be at the Ed Pritchards.

Mrs. Loyne Cox and her daughter Mrs Allan Kernohan of Oshawa is visiting with Mr and Mrs Ivan Cox and family of California.

Gems of Truth

CHURCH AGE OR KINGDOM?

No one who is acquainted with the Old Testament truths will dispute the fact that the Lord God was dealing with the nation Israel and its kingdom promises. Especially from Genesis chapter twelve to the crucifixion of Jesus in the New Testament. These people were chosen in Abraham to be Jehovah's special witnesses to the true God of heaven and earth. Isaiah 43:9-12. The idol worshipping Gentiles were the object of this witness. The word Church is not found in Old Testament pages, neither was Jehovah God using this vessel of service for Him at this period of time, He was using Israel.

The present age, known as the "Church age" is a parenthesis in the midst of God's dealing with Israel and His kingdom purposes for them and the whole world through them. At the rejection of their Messiah (Jesus) and His subsequent crucifixion, the Lord God brought into being that which He had purposed long before Abraham's time, namely the outcalling from all nations those who would respond to His love for sinners which He demonstrated at Calvary. 1 Peter 1: 19-20. This people would be known as the Church, and that is what God is doing at the present time, calling out a people, a special people, to be the bride of a returning Jesus. This people is not any denomination, Protestant, Catholic, Greek Orthodox or any other group which claims to be God's mouthpiece. It is the invisible spiritual Body of all born again believers, which the Bible calls the Church.

This is the age of the Church not the kingdom, (let God be true and every man a liar) Romans 3 verse 4. The kindom awaits the personal return of Jesus to the mount of Olives and to His people Israel who will see all His promises to them fulfilled at that time. Zecariah 8:20-23, Chapter 12: verse 10, Chapter 14: 1-21. God's purpose for our present time, (the Church Age) is to let this people (the church) be witness to His unchanging truth and holiness. Repentant sinners are forgiven and righteousness bestowed upon them that trust completely in none other than Him who died for sin in their place. These are days of Grace and will remain so until the Church days have been fulfilled. The homegoing of this the return of this people will signal the approach of the coming kingdom age and the return of the King. 1 Thessalonians 4:13-17.

The true kingdom will not be set up before the Church has been completed and removed from the world. Then will follow the days of judgement which preceed the setting up of His Kingdom. Mathew 25: 31-46.

Why work at cross purposes with God's will and plan? All who do so demonstrate their self-will and deception practices are fleshly efforts to serve a God whom they know in name only and not in truth.

SCRIPTURE MEDITATION - "He that hath an ear, (a born again ear) let him hear what the Spirit saith unto the Churches Rev. 3:22

Food for thought: "Why try to get dead fish to swim upstream?"

For Pete's Sake!

For Pete's Sake!, a film credited as "unique in its capacity to reach out to meet the problems of people, will be shown on Sunday, October 13th, at the Haliburton Highlands Secondary School.

The full-length comedy-drama, filmed in brilliant Eastmancolor by World Wide Pictures, will be shown once beginning at 7 p.m., and is open to the public at no admission charge.

Filmed entirely on location in Denver and the Colorado Rockies, **For Pete's Sake!** is the story of Pete Harper, a family man and service station owner, who is knocked flat by unexpected problems, but finds the strength to stand up again, to face life anew.

For Pete's Sake! has been seen nationwide by over three million persons in theatre premieres, and has been cited by one film critic as "the prefect mixture -- it's drama at its boldest, comedy at its lightest, and action at its livliest. **For Pete's Sake!** is a family film, not only because it is good family entertainment, but because through its storyline, families can see and feel exactly what is needed to develop deeper understanding and build stronger ties."

For Pete's Sake! stars Robert Sampson, who also starred in World Wide's **The Restless Ones**. Pippa Scott, as Pete's wife, Marge, is well-known for her Broadway appearances and numerous television roles. John Milford and Sam Groom are both familiar to television audiences.

Other featured players include Johnny Jensen as Pete's son, Irene Tedrow as Grandma Harper, and Nicolas Surovy as Skip, the leader of a motorcycle gang.

A cordial invitation is extended to all families of the community by Lt. Wm. Savage of the Salvation Army, who has made arrangements for this special showing of **For Pete's Sake!**

BILLY GRAHAM says about the new motion picture "Time to Run"...

There is no doubt that today we see the family unit being attacked from every side, torn apart and fragmented. *TIME TO RUN* is a motion picture about a family, about listening, about the silences between people, the unspoken moments, and the moments of anger that don't really accomplish anything. *TIME TO RUN* openly offers the reality of Jesus Christ as an answer to the human dilemma.

I feel that thousands of people will see a part of themselves in the film. Hopefully, families seeing it will be brought closer together in real understanding and communication.

I urge you to take your children . . . or your parents . . . to see *TIME TO RUN* when it comes to your community. You may find it more of a mirror than a motion picture!

New laws for hunters

With hunting seasons already open in some parts of the Province, Minden and Haliburton area hunters should be aware that there have been changes made in the Regulations affecting their sport.

The most significant are new regulations introduced this year affecting big game hunting. These are as follows:

1/ During any open season for moose in any particular area a hunter may not carry a high-powered rifle (that is of greater calibre than .22) or have a shotgun with shot larer than size number 2 unless he or she possesses a valid moose hunting licence.

2/ During any open season for deer in any particular area a hunter may not carry a highpowered rifle or a shotgun with shot larger than size number 2 unless he or she possesses a valid hunting licence.

3/ When both deer and moose season are open at the same time and place a hunter may possess either or both licences. She or he may only hunt for the animals for which she or he has a valid licence.

4/ Nobody while hunting bear, caribou, deer or moose shall use or have in their possession a rifle known as a rim fire rifle, a shotgun smaller than 20 guage or any shotgun loaded with shot smaller than SG or number 1 buck.

These changes apply to the Province as a whole.

In the Minden Administrative District of the Ministry of Natural Resources, there will be an open season for moose in the same areas and at the same time as the open season for deer namely November 4 - 16 inclusive (Sundays excepted).

Bear hunters who are residents of the Province should also be aware that there is a limit of one bear per licence. If a resident had a moose-bear licence and a deer-bear licence then he could take two bear. The season for bear is September 15 to November 30.

Ministry staff have received numerous queries regarding an item in the 1974 Hunting Regulations summary. Under the heading 'waterfowl seasons 1974' one will see that duck hunting in the 'Southern District' (which includes the Minden M.N.R. District) opens on September 28. Some people apparently felt that this Southern District was the same as the "Southern Region" referred to on the map titled "1974 Small Game" in the booklet. Thus it follows that the Minden Ministry of Natural Resources District is in the "Northern District" as far as duck hunting is concerned because the "southern region" lies south of Highway Seven, right? Wrong. The "southern district" is explained in the booklet as being "all the part of Ontario that is not included in the Northern or Lake St. Francis Districts" which are also explained in detail. These districts are not related to the Northern and Southern regions referred to in other parts of the booklet.

Though some confusion is understandable (the making of hunting regulations is an extremely complex business) Conservation Officers will not accept this as an excuse from anyone found hunting ducks in this area before September 28. They will be only too willing to explain to those who have trouble understanding the regulations but anyone having doubts should check before they go hunting. After all, it is the hunter's responsibility to obey the laws and ignorance is not universally accepted as an excuse.

Summaries of the hunting regulations are available at licence issuers and Ministry of Natural Resources offices in Minden, Haliburton and Gooderham.

R. R. 1, HALIBURTON - 754-2536
TORONTO OFFICE - 261-6173

Haliburton County Council

County Council of the Provisional County of Haliburton assembled in the Council Chambers at 10:00 a.m., Wednesday, September 18, 1974, for the regular September session with Warden Murray Fearrey in the Chair, all members in attendance with the exception of Mr. A.L. Lock on vacation.

Warden Fearrey acknowledged the excellent County Crest Hanging made by the Eagle Lake Women's Association and presented to the County as a Centennial project.

That the minutes of the Regular Meeting of June 10, 1974, and the Special Meeting of August 15, 1974, be accepted as circulated. Carried.

Be it resolved that a letter of appreciation be sent to the Eagle Lake Ladies' Association thanking them for the Banner Crest for Haliburton. Carried.

Finance Chairman confirmed that all accounts had been inspected and found to be in order. He expressed the Committee's concern about grants allotted to new concerns prior to establishment and fullfillment of purpose. Early payment of County levy is reaping economic benefits which will reflect in the next County budget.

That payment be approved of cheques numbered 273 to 472, list of which has been circulated, in the amount of $126,232.63.

The Clerk read letters as directed by the Correspondence Committee from the list circulated to all members:

The Honourable John R. Rhodes: reference Muskoka Road #1 in reply to the County.

The Ministry of Natural Resources: Historical Research Project through Leslie M. Frost Natural Resources Centre.

To Mr. J.D. Hodgson, Director, Haliburton County Board of Education: mill rate subsidy and grants.

The Hon. John White, the Hon. Arthur Meen, and Mr. V.M. Hewson: Provincial equalization factors.

The Hon. Rene Brunelle: approved 1974 Estimate for Kawartha-Haliburton Children's Aid Society.

Victorian Order of Nurses: Establishment in County, and request for representative delegate from County Council on V.O.N. Board.

Township of Glamorgan: requesting endorsation of letter to Minister Indian Affairs and Northern Development petitioning control of water levels.

Township of Yarmouth: non-returnable bottles.

Town of Whitby: Procedures of Liquor Licence Board

County of Frontenac: requesting consideration by Province for municipalities threatened by wolf killings.

Miss Joy Johnson, on behalf of five OFT project students, re. Anthology written on OFT Grant, requesting assistance for publication.

Mrs. Nila Reynolds: contact interested in producing an atlas for Victoria and Haliburton.

J. A. Curtin: expressing concern and requesting information on extent of any widening and construction which might be planned for the Ingoldsby Road.

That the Report of the Correspondence Committee be accepted as presented. Carried.

The County Road Report was presented by County Engineer Jack Cox who explained the by-laws being presented on the recommendation of the Road Committee, and outlined the concern of the Road Committee about maintaining assumption of roads at a level which will not produce undue hardship for financing and yet permit some construction.

The meeting was adjourned at 11:45 a.m. for noon recess and reconvened at 2:00 p.m. for further discussion of the County Road System.

That the County Council concurs with the Road Committee approach re. the County Road System and their request to the Minister for more County Road subsidy. Carried.

Be it resolved that the

Death Notice

BRACKENBOROUGH, Helena - At the Bayview Villa Nursing Home, Toronto, on Sunday September 22, 1974. Helena Hay, beloved wife of the late William Brackenborough. Dear Mother of Jean (Mrs. F. Williams) of Weston. Beloved grandmother of David and Helen. Dear sister of Winifred (Mrs. W. Laird) of Parry Sound, George of Virginia, U.S.A., and the late James, John, David, Dallas, William and Bert. Resting at the Ward Funeral Home, 2035 Weston Road at King Street, Weston. Service in the Chapel, Tuesday, September 24, 1 p.m. Interment Sanctuary Park Cemetery.

In Memorium

McCAW - In loving memory of a dear mother and grandmother Jarjorie Alice Fairfield, who passed away September 23rd, 1973 at her residence in Lindsay.
Always so good, unselfish and kind,
Few on this earth her equal we find,
Honorable and upright in all her ways,
Loyal and true to the end of her days.
Sadly missed but lovingly remembered by son Grant and wife Kay, and grandchildren Richard, Susan, David and Donald.

SAWYER - In loving memory of a dear son and brother, Harold Wayne Sawyer, who passed away on October 3, 1972.
Gone are the days we used to share,
But in our hearts you're always there.
The gates of memory will never close,
We miss you more than anyone knows.
Always remembered by Mother and Dad, Rose, Murray, Beverly, Ralph and families.

REYNOLDS - In loving memory of Arnold who passed away five years ago.
As angels keep their watch up there
Please, God, just let him know
That we down here do not forget
We loved and miss him so.
Sadly missed and always remembered by mother-in-law Tessa Davis, and Mervin, Lois and children.

Classified Display $1.50 per col. inch.

SAWYER - In loving memory of a dear mother, Della, who passed away September 30, 1971.
She left us quietly,
Her thoughts unknown;
But left us a memory
We are proud to own;
So treasure her, Lord
In your garden of rest;
For when on earth
She was one of the best.
Lovingly remembered by Glen, Geraldine.

Haliburton County Council

County do wholeheartedly support the resolution by the County of Frontenac regarding control of Wolves and Bounties. Carried.

All members were provided with a summary of the replies from each municipality following their consideration of whether they were in favour of a study under the County Restructuring Studies Programme. Six municipalities had passed resolutions in favour and four against a study.

Be it resolved that the Provisional County of Haliburton proceed with a restructuring study of our county providing that we are not bound by the results of such a study and that this be clearly understood by the Ministry from the start. Carried.

Nine of the members spoke to the motion, and the resolution was carried with eleven yeas and five nays.

That By-law 915, having been read a First time, be considered read a Second and Third time, passed, signed, and the Corporate Seal attached, being a by-law to confirm proceedings of the Road Committee. Carried.

That By-law 916, having been read a First time, be considered read a Second and Third time, passed, signed, and the Corporate Seal attached, being a by-law for the purpose of authorizing and empowering the Warden and Clerk to sign the application forms to purchase Crown lands and for patent for Crown Lands now being used as right of way for County Road #1. Carried.

That By-law 917, having been read a First time, be considered read a Second and Third time, passed, signed, and the Corporate Seal attached, being a by-law for the purpose of authorizing expropriation of property for road widening purposes on County Roads. Carried.

That By-law No. 918, having been read a First time, be considered read a Second and Third time, passed, signed, and the Corporate Seal attached, being a by-law for the purpose of adjusting the remuneration to the County Engineer and Road Superintendent of the Provisional County of Haliburton. Carried.

That By-law 919, having been read a First time, be considered read a Second and Third time, passed, signed, and the Corporate Seal attached, being a by-law to approve By-law 74-9 of the Municipality of Dysart et al, a by-law to confirm and update By-law 1161 of the Municipality of Dysart et al for the purpose of closing part of the original road allowance between Lots 15 and 16, Concessions 9 and 10, in the Township of Harburn. Carried.

The Property Report was presented by Chairman Lloyd Walker.

Chairman James Harrison gave a favourable report on the operation of Hyland Crest Senior Citizens' Home.

Roy Brohm reported increased circulation in the Haliburton County Public Library and branch libraries throughout the County, with meetings being rotated to various branch libraries. A solution is to be arranged for problems encountered in the Dorset Library located on the boundary of Muskoka.

Gary Agnew presented a full report on the operation of the Haliburton Kawartha Pine Ridge District Health Unit.

Gary Agnew as Chairman of the Centennial Committee reported a good year with events well attended.

Larry Perrott, Secretary-Manager of the Haliburton Highlands Chamber of Commerce, was asked for a report on Chamber of Commerce activities. It was a busy year for enquiries and he hopes to accept the accommodation offered by the County for the winter months and move the office into these premises shortly. Mr. Perrott informed Council about the good progress being made with preparation of combined brochure for the County which is being well received and replacing the guides and map booklet.

Mr. George Dove, Local Director of the Kawartha Haliburton Children's Aid Society, addressed Council, reporting on present foster care on behalf of the County, and explaining the current basis of cost distribution.

Be it resolved that the County do concur with a motion re. Children's Aid dated March 21, 1974 by the County of Lanark. Carried.

The September meeting of County Council was adjourned at 3:30 p.m.
